Dear Parent,

Year 8 Charity Challenge 2018

As part of our pastoral programme this term I am inviting the girls to take part in my Charity Challenge. This involves asking them to commit 60 minutes minimum of their time in some way to the wider community. I have introduced it in assembly and they will have the whole of this term to complete it.

When they have completed the challenge, I would ask that you return the form below to say what they have done. I will be giving them ideas in the assembly. It is always really nice to know what they have found to do and to hear their stories and see photos of their experiences.

We will then finish with an assembly towards the end of term to highlight some of the work they have achieved.

Many girls have gone on to volunteer on a more long term basis.

I do also understand that some girls are already involved in some way and to that end I do not wish them to do extra on top. If you can fill in the form stating what they already do then that is sufficient for this challenge.

I look forward to seeing what the girls can find to do and hearing about how they have found the experience.

Kind regards

Mrs Nelson

Head of Year 8 and 9

Year 8 Charity Challenge 2018

Name..... Form.....

Has completed minutes for the 2018 Charity Challenge and done the following:

.....
.....

Signed..... Parent/guardian or Supervisor

Print name.....

Hand this form into your form tutor by week beginning **Monday 12 March**.

If you have any photos or can write a short piece about your Challenge that would be wonderful. Please place onto the pupil shared area and email to me.
